United States District Court,

I wish to file a formal objection in the case of "Guoliang Ma, et al. v. Harmless Harvest Inc., Case No. 2:16-cv-07102 (JMA) (SIL)". I state that I am representing myself in this objection without an attorney. I object to the fairness of this settlement and that it provides no financial compensation to all of the class members that were misled due to false advertising. Many companies advertise 100% Pure Coconut Water such as Foco, Zico, Iberia and Coco which are lower priced compared to similar products by Natural Harvest. Other similar class action lawsuits have all provided financial compensation to consumers due to false advertising of 100% natural product such as Naked Juice, Good Karma Flax Milk, and Muscle Milk. I ask the court to reject this settlement so that a new settlement can be reached that provides financial compensation to the class action members that were misled by Harmless Harvest. I state that I am a class member under this case and purchased Harmless Harvest 100% Raw Coconut Water during the class period. "I declare under penalty of perjury under the laws of the United States of America that the foregoing statements regarding class membership are true and correct to the best of my knowledge."

Thank You,

Jason Bowerman
